

# Public Water Supply District No. 4

of Platte County, Missouri

## When?

- August 13<sup>th</sup>, 2011
- 8AM to NOON

## Where?

- *Platte Ridge Park located at 17130 Highway 371*

## What Can you Bring?

- *Automotive fluids, batteries, fuels, household cleaners, lawn & garden products, pesticides, paint and related products. Commercial and industrial waste prohibited.*

## If you can't make it to the August 13<sup>th</sup> Event:

- A similar event will be held in Riverside on October 1st, 2011 in E.H. Young Park. **The Riverside event will only take Antifreeze, Paint, Oil, and Batteries.** You may also make an appointment at the permanent collection facility located in Kansas City. Visit [recyclespot.org](http://recyclespot.org) for details.

## Who is eligible to participate?

- *The program is open to all citizens living within participating communities which include the following: Iatan, Farley, Houston Lake, Kansas City, Lake Waukomis, Northmoor, Parkville, Platte City, Platte Woods, Riverside, Tracy, Weatherby Lake, Weston, and Unincorporated Platte County. Residents living in a community not participating will have to pay a fee in order to drop off material.*

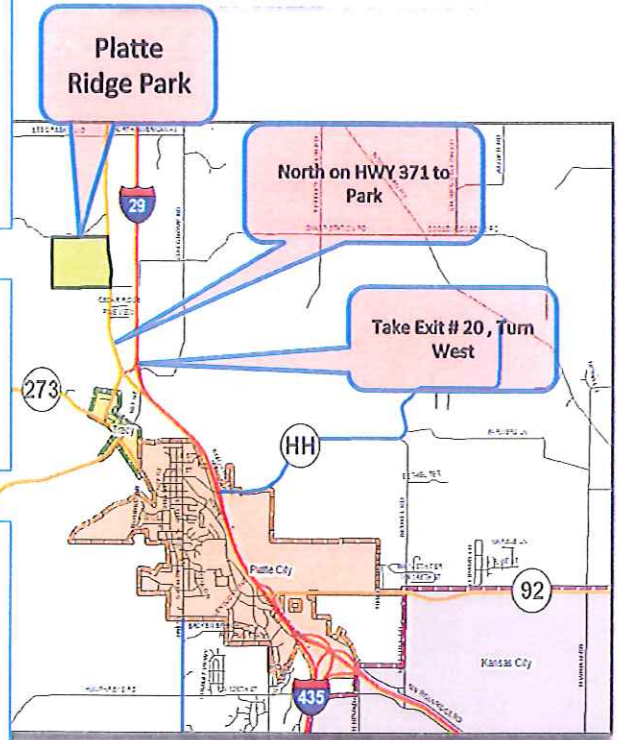

## What are the benefits of this program?

- *Many of these materials are a fire hazard and if not disposed of properly, pollute our streams and lakes. The MARC Solid Waste Management District manages this program. A majority of the materials received are recycled.*
