

REPORT OF INSPECTION OF WATER SYSTEM
PLATTE CO PWSD #4
PLATTE COUNTY
PWS ID #MO1024478

INTRODUCTION:

On December 11, 2008 Leonard Johnson of the Missouri Department of Natural Resources conducted a routine operation and maintenance inspection of the water system serving Platte County PWSD #4. The purpose of the inspection was to determine if the system was being satisfactorily operated and maintained in compliance with the code of state regulations and that specified standards and guidelines set by the department's Public Drinking Water Branch are being followed. Platte County PWSD #4 purchases water from Kansas City Missouri.

UNSATISFACTORY FEATURES AND RECOMMENDATIONS:

NO unsatisfactory conditions were noted.

COMMENTS:

A review of the department's records for the previous 3-years reveals the water system had satisfactorily complied with all applicable regulatory requirements. Water system personnel are complimented for their professionalism and the conscientious performance of their duties.
